Here are a few highlights from the Esynchro Championships:

- 1) Our 16/17 team placed top 10 in the nation! What a huge accomplishment! The Heronettes have not done this in a number of years!

A proud 9th place finish, after figures were performed, was an honor for the girls and our team!

- 2) Emma placed an honorary 3rd in 16/17 figures (and 5th overall in 16/17 & 18/19 figures combined) Way to go, Emma! There were over 100 girls in the 16/17 portion and over 200 girls combined in both age groups.
